Space & Naval Warfare Systems Center Awards Contract

SAN DIEGO -- SRS Technologies, Newport Beach, Calif.; Booz-Allen & Hamilton, McLean, Va., and System Planning Corporation, Arlington, Va., are being awarded indefinite delivery/indefinite quantity type contracts with cost-plus-fixed-fee pricing for engineering and technical support for the Tactical Technology Insertions Program. The SRS Technologies contract value is \$13,951,315. The Booz-Allen & Hamilton contract value is \$11,844,703. The System Planning Corporation contract value is \$11,217,045. The work will be primarily performed in Arlington, Va. The period of performance is from July 15, 1997 through July 14, 2002. Contract funds will not expire at the end of the current fiscal. These contracts were competitively procured using the multiple award concept, with 88 firms solicited and seven offers received. The Naval Command, Control and Ocean Surveillance Center Research Development Test & Evaluation Division, San Diego, Calif., is the contracting activity. (N66001-97-D-8000, N66001-97-D-8006, N66001-97-D-8007)
